(pick up at Joe Green Auditorium)

SAT May 25, 2019

NOTE: The total time limit is to be observed and the amount of time for each section of witnesses should be closely followed. As in Court, this will be monitored by the judge. One person will do the Opening Statement, the other the Closing Argument. The person doing the direct of their client will do the cross of the other party's financial expert. The person doing the direct of their financial expert will do the cross-examination of the other party.

There will be actors or students who will play the role of the parties. You will have an opportunity to meet with them on Friday to prepare for trial. You will work with your experts during the program.
